

TurnPro™

TUBE CUTTER

The TurnPro Tube Cutters are specifically designed for cutting stainless steel, Alloy - 400, Alloy C-276 and other hardened steel tubing from 1/8 to 1 1/8 inch (4 to 28 mm). The unique anti-spiral roller design eliminates spiraling for precise right angle cuts. A one-piece screw-type axle provides easy access to the cutting wheel, there is no clip to lose or replace. Each tool comes with a spare cutter wheel.

Part Number	Description
TP-TC-316	Tube Cutter
TP-TCW-316	Replacement Wheel 5 pack

KEY BENEFITS

- ▶ Smooth, precise, spiral-free, tube cutting
- ▶ Compact swing radius
- ▶ Spare Cutter Wheel
- ▶ Easy Maintenance
- ▶ Trouble-free, high-cycle operation

KEY FEATURES

- ▶ Retractable ergonomic rotary style reamer
- ▶ Durable Finish
- ▶ Chromium Steel Cutter Wheels
- ▶ Unique Anti-Spiral Rollers
- ▶ Lightweight Body
- ▶ Thrust bearing feed mechanism
