REPRESENTING MANUFACTURERS OF QUALITY PRODUCTS

6928 SIERRA COURT • DUBLIN, CALIFORNIA 94568

TELEPHONE (800) 991.2726 • FAX (800) 757-2726 • sales@tempresco.com

## **ASCO**

Solenoid Valves, Air Actuated Valves, Drinking Water Valves, Temperature Control Valves

## **ANDERSON GREENWOOD**

Gauge Valves, Manifold Valves, Needle Valves, Direct Mount Systems, Enclosures

## **BUTECH / HASKEL INTERNATIONAL**

High Pressure Valves, Fittings, Tubing & Pumps for pressures up to 150,000 psi

## **CIRCLE SEAL CONTROLS**

Check Valves, Pressure Relief Valves, Shut-Off Valves, Solenoid Valves, Regulators

## **CHEM-TEC**

Flow Meters, Flow Monitors, Flow Switches, Excess Flow Valves

## **EATON FILTRATION**

Gas Liquid Separators, Exhaust Heads, Air Vents, Float Drain Traps

## **GO REGULATOR**

Pressure Regulators, Back Pressure Regulators, Diaphragm Valves, Filters

## **KUNKLE**

A.S.M.E. Safety & Pressure Relief Valves for Air, Liquid, Cryogenic & Steam Service

## **MARSH BELLOFRAM**

Air Regulators, Relays, I/P E/P P/I Transducers, Pressure Controllers, Air Cylinders, Gauges

## **NICHOLSON / ROCKWOOD SWENDEMAN DIV. LESLIE CONTROLS**

Steam Traps, Cryogenic Relief Valves, Cryogenic Shut-Off Valves, Control Valves

## **OSECO**

Rupture Discs, Explosion Vents, Rupture Disc Holders, Sensors

## **SSP FITTINGS**

Instrumentation Tube Fittings, Pipe & Hose Fittings, Valves, Filters, Tubing, Tools

## **SPENCE ENGINEERING**

Pressure & Temperature Regulators, Control Valves, Desuperheaters, Condensate Pumps

Founded in 1969 in the San Francisco Bay Area TEMPRESCO is a leading distributor of instrumentation products. The manufacturers we represent are industry leaders in the design and manufacture of state of the art valves, fittings and controls.

TEMPRESCO's products can be found in bio-tech, pharmaceutical, food and beverage, chemical processing, oil and gas, semiconductor and research applications where safety, purity, pressure integrity and temperature control is demanded. These quality products are stocked at our modern Distribution Center in Dublin, California.

It is our mission to contribute to the success of our customers by providing technical support, superior service and quality hardware delivered on time conforming all specifications and project requirements. Our engineers, technical sales, customer service and management team look forward to serving you.
